

Made in the USA

From Design to Delivery

American Shoring is the Leader in High Quality, Modular Trench Shoring

American Shoring manufactures, sells and rents the world's most complete line of trench shoring equipment. From ultra light aluminum shoring, which may be handled by hand, to giant heavy duty trench boxes and slide rail sheeting replacement systems- no one has more product knowledge or ingenuity than the people at American Shoring.

Our staff is waiting for your call with professional advice to recommend the best specific product for your project.

Field service support and supervision available with on site assembly and take down.

All systems are manufactured in the USA.
